### **Disclaimer:**

Due to the Covid-19 pandemic, many groups have experienced changes to their meeting locations and meeting style. We try to keep this list as accurate as possible, but there may be unintentional inaccuracies. Some groups that may have temporarily closed or moved to online-only formats are resuming meeting in person. Each group is autonomous and responsible for following the guidelines and policies of its meeting location. However, many groups are asking that those who are not fully vaccinated against the coronavirus continue to wear a mask and follow social distancing guidelines.
